Dear Amon:-

I am wondering if there is any change in the situation as regards your tying up with Mr. Hearst.

From time to time, developments occur in this organization which I would like to have a chance to talk over with you. Just at the present time, there is a big development brewing here in New York in connection with one of the Hearst newspapers, and the opportunity, I believe, is big enough to interest you.

Of course, the real big point is are you ever going to be in a position to cash in on your wonderful work in Fort Worth and move on into the big tent?

When do you expect to be in New York again? I would really like to have a good talk with you.

With kindest regards to yourself and to Mrs. Carter, believe me

Very sincerely yours,
