Mr. Amon G. Carter,  
FORT WORTH STAR-TELEGRAM,  
Fort Worth, Texas.

Dear Mr. Carter :

I am returning the letters from your son promptly. I know they are precious.

I wonder if it is really absolutely necessary that our country should stick its neck out, and its nose into every alien muddle?

It seems terribly hard on our youngsters. They have to take the consequences of all our altruistic purposes.

Sincerely yours,

*W. R. Hearst*
