

THE WHITE HOUSE
WASHINGTON

December 23, 1929.

Mr. A. G. Carter,
Fort Worth,
Texas.

Dear Mr. Carter:

I am grateful to be again
included in your thoughts for Christmas.

There is nothing I should like
better than to have an opportunity to visit
Texas, particularly to the place "Where the
West Begins".

Mrs. Hoover joins me in extending
to you all of the compliments of the season.

Yours faithfully,

Herbert Hoover
