Star-Telegram Bldg.
Ft. Worth, Texas

Dear Mr. Carter:

Mr. Hoover has forwarded to me your encouraging telegram of April 17. May I repeat that while we realize the limitations of time and distance may prevent you from frequent participation in meetings it is certainly good to know that you are so firmly back of the program.

In the last analysis it is the press of this country which is the backbone of the informational program needed to put reorganization across.

Sincerely yours,
