Dear Amon:

My warmest and deepest thanks for the magnificent belt. How kind and thoughtful of you to send me this beautiful gift. You may rest assured I shall wear it with great pride and shall cherish it always.

I just returned from New York after several weeks stay due to illness and death of my uncle, which is the reason for this belated acknowledgement of the belt.

Again many thanks and my fondest best wishes.

Sincerely yours,

*D. Jones*
