Major J. H. Doolittle,
Shell Petroleum Corporation,
Shell Building,
St. Louis, Mo.

Dear Major Doolittle:

Upon receipt of your letter of June 24th, my secretary advised me that the original of the copy of your letter of July 31, 1935 was received in this office August 2, 1935; that you telephoned from the airport during my absence and advised that you would mail the helmet; that the helmet arrived and was sent out to Shady Oak Farm to be placed with my collection. So, please accept my belated thanks and appreciation as I am delighted to have your helmet among my interesting souvenirs.

I enjoyed seeing you in Chicago and hope you will be passing this way and will drop in to pay me a visit soon.

With best wishes, I am,

Sincerely,

ACC.KD
