Dear General:

Upon returning to the office after being laid up a few days with a bad cold, I found your overseas cap which I am delighted to add to add to my collection of caps of distinguished Army and Navy personnel.

You overlooked autographing the cap, so I wonder if you would mind sending me a little card which I can place in the cap identifying it and making it all the more interesting in the collection. I shall appreciate it very much.

I hope you will find an opportunity to come this way soon as I would enjoy a visit with you.

Again, thanks a million for the contribution to my hat collection and with sincere personal regards, I am

Sincerely,
