

6 Jan 49

Mr. Carter:

Top officials of Northrop Aircraft are due here Monday, Jan. 10,  
to discuss B-49 production:

C.N. Munson, general manager

B.G. Reed, assistant general manager

R.A. Dutton, engineering manager

D.G. Leland, production superintendent

Roger Moore, project engineer for the B-49

Grant MacDonald, administrative planner

R.E. Bowditch, asst.       "               "

They will meet with Warren Knieriem, resident representative of  
Northrop at the Convair plant and have reservations at Hotel Texas.

RW
