

*Air Proving Ground
Eglin Air Force Base, Florida*

Office of the Commanding General

20 April 1949

Mr. Amon G. Carter, President
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

Your secretary mailed me some photographs taken during my visit to Fort Worth in commemoration of the Seventh Anniversary of the Eighth Air Force and a visit to the Southwestern Exposition and Fat Stock Show.

I just wanted to add my appreciation for your thoughtfulness in forwarding me these pictures as well as again thanking you for your most kind and generous hospitality afforded me during this visit. I think I mentioned to you before but, at the risk of repeating myself, I want to again extend my personal invitation to visit me and the Proving Ground here at Eglin Air Force Base at any time you are able to get away from Fort Worth. I think you will find the installation most interesting and, of course, it would be a pleasure to see you again.

Sincerely,

W. E. KEPNER
Major General, U. S. Air Force
