Dear Mr. Maddox:

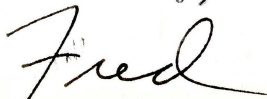

Just wanted to thank you for your kindness and hospitality extended to us Friday.

Your interest in this project means a lot to me because I know in my own mind that it will really go forward with the right kind of leadership.

I am having a plat of the adjacent property sketched and also an estimate of the cost of acquiring each piece. These should be in your hands by the latter part of the week.

Mrs. Conn was delighted with the candy and hopes that she will have the opportunity of meeting and thanking you personally when you come up to look over the Birthplace.

Cordially,

Fred Conn
