Memo to Mr. Amon G. Carter

EISENHOWER BIRTHPLACE FOUNDATION, Inc

The Charter Amendment prepared in the attorney's office shows on the 5th line of the first page that the principal place of business is at Sherman, Texas. This is an error and in other places the correct place, Denison, Texas, appears. The appropriate change will be made in the documents to be sent to Austin and it is suggested that this change also be made in the copy left with you.
