

ALLIED FORCE HEADQUARTERS
Office of the Commander-in-Chief

1 November, 1943.

Dear Mr. Carter:

Thank you so much for your Christmas present. I can assure you it is most welcome.

When you first informed me that I had been made an honorary life member of the Fort Worth Club, I did not know that I was the only person to have this distinction. I am truly appreciative.

I am glad to hear that Texas has gone over the top with the War Bond drive. Keep up the good work. It is so encouraging to know that one's people at home are doing their full part in war effort.

I was very interested in reading your son's letter. I am glad his spirits are so high.

My thanks again and wishing you a Merry Christmas.

Sincerely,

Dwight D. Eisenhower
