

Supreme Headquarters  
ALLIED EXPEDITIONARY FORCE  
Office of the Supreme Commander

4 April, 1944.

Dear Mr. Carter:

It was indeed very generous of you to send me that fine package. The ham, turkey, onions and pecans arrived in good shape. It was a most thoughtful act and I am more than grateful for your kindness.

I am glad to hear that Amon Junior is in good spirits. I believe the German on the whole is treating our prisoners well.

My thanks to you again.

Sincerely,

*Wright Hosen Rumer*
