

WAR DEPARTMENT
THE CHIEF OF STAFF
WASHINGTON, D. C.

26 January 1946

Dear Amon:

I have just learned that one of our fighting aces of the European Theater, Major Don Gentile, is to come soon to Fort Worth, Texas. He will be accompanied by a Major John Godfrey, also of the Air Forces.

Knowing your continuing interest in our fighting men, I thought you might like to know that both of these men have splendid battle records and have accepted jobs that may keep them in Fort Worth permanently.

If you should come in contact with them please give them my warm regards, especially Major Gentile, whom I have met personally.

With my very best wishes,

Sincerely,

David A. Stein
