Dear Amon:

As I depart on my vacation, I am all the sorrier that it could not be with you. I am flattered and deeply grateful for your continued courtesy, and regret that I could not, until the last minute, give you a final answer. However, it is still uncertain as to whether events will permit me to remain away a week, even as far as Georgia.

Again thanks for your gracious gesture. You have been more than kind, and I do hope we can get together in the not too distant future.

With warm personal regard,

Sincerely,

*SR3*
