

OFFICE OF
GENERAL EISENHOWER

Lowry Air Force Base
Denver, Colorado
26 August 1950

Dear Amon:

By coincidence, Mr. Richardson called me today. I told him that because of a change in family plans, i.e., John returning to New York earlier than expected, Barbara leaving in a hurry in order to visit with her father in Chicago, the General's commitment to keynote a Crusade for Freedom drive, and an unprecedented measure of official and university mail, make it impossible for the General to accept your gracious invitation to spend sometime at your ranch near Gunnison. I assure you that he is far more disappointed than anyone.

I suspect that I will be seeing you in November, when the General will be in Houston and Lubbock. Your Dad was instrumental in getting him to visit Lubbock. I will be in touch with you long before then. Thanks for your note.

With warm regard.

Cordially,

Robert L. Schulz
Lt Col., Aide de Camp
