

OFFICE OF
GENERAL EISENHOWER

Air Special

November 15, 1950

Dear Mrs. Deakins:

God bless you for all you have done! I am afraid that I slurred my words to Perry Bass when what I intended to say was that I hope you send us the clippings as you have done in the past. It is entirely my fault in not making myself clear. I truly hope you have not been inconvenienced or unduly concerned. We have been receiving two copies of the tear sheets on all items concerning the General (and -- again, if my memory serves me right, I was not to acknowledge them each time).

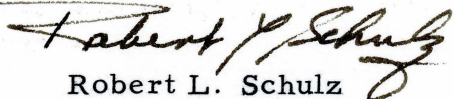

I am taking the liberty of sending a copy of this note to Mr. Bass and include my apologies to him as well. Thanks for all your help.

I have not shown all of the pictures to the General, but have glanced through them hastily myself. They bring back fond memories of a very pleasant day.

I regret I did not have a chance to see you while in town.

With kind regard and best wishes,

Sincerely,

Robert L. Schulz
