Care Postmaster
New York, N.Y.

Dear General Eisenhower:

Mr. Carter has been in one meeting after another on civic matters out of his office and asked that the enclosed copies of an editorial headed "Let Eisenhower Alone to Do His Job" as well as a clipping from the afternoon Star-Telegram be sent to you.

The editorial has been mailed to about five hundred of Mr. Carter's friends throughout the country - including all of the United States Senators, members of the Cabinet, as well as other government officials in Washington and to the prominent industrial heads throughout the nation, oil people, bankers, manufacturers, etc.

With best wishes to you, Mrs. Eisenhower and Colonel Schultz, I am

Sincerely,

Secretary to A. G. Carter.
