Dear Mr. Carter:

Thanks very much for your letter dated March 21 with reference to the completion of the Consolidated Aircraft Corporation's \$30,000,000 Bomer Plant, and your request that we take an add in your special edition which will appear April 19.

I am passing your letter to Mr. A. C. Ater, General Passenger Agent, Galveston, recommending that we give you an add on that date. I am sure he will be in accord with your suggestion.

Yours very truly,

cc - Mr. A. C. Ater
