Mr. Carter:

Information regarding suggested wire you are to send account Union Pacific Railroad copy for April 19th issue:

Letters from our General Manager have been sent to W. W. Jeffers, President of the Union Pacific Railroad and C. J. Collins, General Passenger Traffic Manager, Omaha, Nebraska, requesting page advertisement in our special issue of April 19th in cooperation with the Consolidated Bomber Plant in Fort Worth. The Dallas office of the Union Pacific has recommended this page. We suggested copy of page ad for our special edition similar to the proofs of two full page ads published recently in the World-Herald, Omaha, for the Union Pacific on the Martin Bomber Plant there. Your help would be appreciated, etc. etc.
