

THE NATIONAL CITY BANK OF NEW YORK

CHAIRMAN
OF THE BOARD

April 8, 1942.

Dear Amon:

Just because you got back on the job you cost us some real money and made us break an ironclad rule that was set up to be unbreakable. But, did you ever find anyone who could say "no" to Amon Carter when he got in his most genial mood and put on his happiest smile? At any rate, Arthur Forward, Farris Campbell and I cannot, and Jim McNamee says he cannot either, so Jim will send in the copy which will be the answer to Amon's letter of April 3rd.

With warmest regards and good luck, I
am

Ever sincerely,

Mr. Amon G. Carter,
Fort Worth Star-Telegram,
Fort Worth, Texas.
