Mr. Amon G. Carter, Publisher,
The Ft. Worth Star-Telegram,
Ft. Worth, Texas.

Dear Amon;-

I have seen many Special Editions of newspapers
but never anything like today's Star-Telegram.

It gives me a genuine 'thrill' for several reasons; Ft. Worth is my town
for one thing but best of all, a number of the men that built this news and advertising
wonder, are friends of mine, including the "boss"; (I hope).

Sincerely yours,

Mel Shugert.
