Amon G. Carter,

President FortWorth Star-Telegram,

Fort Worth, Texas.

On my return from Washington today have your telegram sixth.stop.  
Meanwhile our Sales and Advertising people have carefully reconsidered  
matter but regret that for reasons given my letter to you of the third,  
we cannot change decision regarding your special Bomber Plant Edition.stop.  
As advised in that letter, however, it has been planned to run additional  
regular advertisements in the FortWorth Star-Telegram later this year and  
hope you will accept this in lieu of your request to take space in the  
Special edition.

Kindest regards,

W.S.S.Rodgers.
