Miss Bettye Shelton,  
922 N Haskell Street,  
Dallas, Texas.

Dear Miss Shelton:

Your letter with reference to securing a position in the Consolidated Aircraft Corporation Plant in Fort Worth has been received during Mr. Carter's absence from the state.

From all information gathered you have been advised correctly insofar as written applications are concerned to the bomber plant. While I am sure Mr. Carter will be happy to do anything consistently possible to help you secure employment here, about all he could do would be to forward your letter to the personnel director and if you desire to have this done, please write the kind of a letter you wish to write in making your application.

Yours very truly,

Secy. to A. G. Carter.
