Mr. LaMotte T. Coahu, President
Consolidated Vultee Aircraft Corporation
San Diego, California

Dear Mr. Coahu:

Mr. Carter is in Chicago; however,
I am taking the liberty of acknowledging receipt
of the lovely Convair Liner Ash Tray which has
arrived during his absence. Believe it or not,
his office has been cleaned up, and I know Mr.
Carter will be delighted to have this gift on
his desk.

Yours very truly,

Secretary to A. G. Carter
