Amon G. Carter
1220 Broad
Fort Worth, Texas

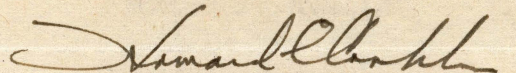

Dear Mr. Carter:

We of the Fort Worth Army Air Field are looking forward to your visit with us this coming Sunday afternoon. In order to identify the guest personally invited by the Base Commander, we are requesting that the enclosed guest card be placed in a conspicuous position on the windshield of your automobile. This will serve to identify you to the Military Police who will in turn direct you to a reserved parking lot.

As soon as your automobile has been parked, an officer who has been selected to act as escort for you and your family will meet you. This officer will remain with your party during the Air Show and dinner following.

We sincerely hope your visit will be interesting as well as enjoyable.

Cordially yours,

HOWARD E. CONKLIN
Lt Colonel, Air Corps
Special Events Officer
