Mr. Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

May I extend my sincere appreciation for the patient attention you gave me and this command on last Sunday evening for the modest release in the Fort Worth Star-Telegram on the accidental release of bombs.

It is appreciated that the most careful preparations for an event as an Air Show will have its unscheduled incidents, which alone my neutralize the spirit and intent of the show. We are most thankful that the accidental release of the bombs did not occasion a more serious result.

It was a pleasure to have you as our guest for the Air Show, and we respectfully extend to you the courtesies of this station on your visits here.

Sincerely yours,

N. L. COTE
Colonel, Air Corps
