Mr. Ed Winton, President
Continental National Bank
Fort Worth 2, Texas

Dear Ed:

Re: Fort Worth Air Terminal, Inc.

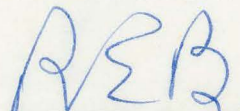

I hand you the following checks and/or duplicate deposit slips covering payment of one-half of the respective subscriptions to the capital of Fort Worth Air Terminal, Inc. plus such excess as necessary to pay for whole shares, to wit:

A. G. Carter Company	\$12,500.00
Wm. Fleming	2,500.00
Ed H. Winton	100.00
George Thompson, Jr.	100.00
Waples-Platter Grocery Company	<u>2,500.00</u>
	\$17,700.00

Will you please issue duplicate deposit slip covering the aggregate deposit, including your own, and also a letter certificate addressed to the Secretary of State of Texas evidencing that these funds are on deposit and subject to control of the corporation.

It is Mr. Carter's suggestion to leave the funds in the bank on which the subscription check is drawn, at least until the organization meeting, since no earlier expenditures are contemplated. Thanks for your cooperation and participation.

Sincerely,

RAYMOND E. BUCK
