Mr. Amon G. Carter

Fort Worth Star-Telegram

Dear Mr. Carter:

I wish your February 10th Star-Telegram editorial could have been printed in every South Dakota paper. Certainly it would have taken care of the votes we need, at the moment, to elect the Eisenhower delegates.

At the moment, the latest information is that Eisenhower needs 1140 votes to break even. There are still 200 precincts to hear from.

I want to personally thank you for showing me just what hospitality means to the people of Fort Worth and at the same time congratulate you on the building of the Midway Air Terminal. It's a honey.

Sincerely yours,

A large, stylized handwritten signature in cursive script that reads "Chan".
