

OFFICE OF DWIGHT D. EISENHOWER

PERSONAL

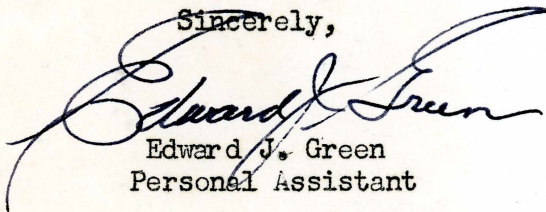

Commodore Hotel
New York, N. Y.
September 24, 1952

Dear Mr. Carter:

When Bob Schulz returned to New York several weeks ago, he suggested that you might wish to forward private matters to the General through me to insure prompt and secure handling.

Our temporary headquarters was recently shifted to the Commodore Hotel and the General is frequently away on campaign trips. Sometimes I accompany him and at other times I backstop from this end of the line -- but in either event, correspondence addressed to me, c/o Eisenhower Headquarters, Commodore Hotel, New York, N. Y., is delivered to me, unopened. The phone number is Murray Hill 9-3909. Appropriate matters are brought to the General's attention as expeditiously as possible.

Sincerely,

Edward J. Green
Personal Assistant
