

OFFICIAL "IKE" CAMPAIGN SONG

To the tune of "Sunshine in Your Smile"

(SHOUT) IKE, IKE, we like IKE,

We love the sunshine of your smile.
We see a future in your eyes,
You lent a hand to victory.
You are the one we idolize,
I'm going to give my vote to you
You'll turn the grey skies into blue
For I know you will make this world worthwhile
With the sunshine of your smile.

(SHOUT) IKE, IKE, we like IKE,

IKE, IKE, we want IKE.

We love the sunshine of your smile.
We see a future in your eyes,
You lent a hand to victory.
You are the one we idolize,
I'm going to give my vote to you
You'll turn the grey skies into blue
For I know you will make this world worthwhile
With the sunshine of your smile.
