Dear Mr. Carter:

General Eisenhower has asked me to advise you of his great interest in facilitating arrangements for you and your party to attend the various events during the Inaugural festivities.

The General wishes you to know that we shall be in touch with you a little later, after specific plans for distributing tickets for seats to the swearing-in ceremony and the parade have been worked out. Both the Joint Congressional Inaugural Committee and the Citizens' Inaugural Committee are now outlining the details, and we are working closely with them on arrangements for the General's personal friends.

Sincerely yours,

*Arthur H. Vandenberg Jr.*
