Dear Mr. Carter:

I want to personally thank you for your support of the Eisenhower-Nixon campaign which I assure you is greatly appreciated. One of the great pleasures to me in this campaign was the wholehearted cooperation of the large number of people who agreed with you and me that a change of administration in Washington was necessary. Without this cooperation and support the great victory of November 4th would not have been possible.

General Eisenhower will not be able to make the changes which we feel are necessary without the continued support of people like yourself and I hope we can count on your help in the future. I personally stand willing to do all possible to help him clean out the mess in Washington and if you have any ideas that might be of assistance to him, or if I can ever be of any help to you in any way, please let me know.

Again thanking you and with best wishes and highest regards, I remain

Sincerely,

Price
