Dear Mr. Carter:

General Eisenhower wishes you to know that he is making available for you two complimentary tickets for both the Inaugural ceremony at noon, January 20th, and for the parade, beginning at 1:30 o'clock.

We shall appreciate hearing as soon as possible if you can make use of these tickets personally. As you can well imagine, there is an overwhelming demand for tickets, but the General expressed a special interest in seeing that you had an early opportunity to indicate your acceptance.

Since I shall be out of town part of the time in this pre-inaugural period, I would appreciate having your reply directed to Mrs. Anne Wheaton, Eisenhower Headquarters, Commodore Hotel, New York, N. Y.

With all good wishes,

Sincerely yours,

*Arthur H. Vandenberg, Jr.*
