Lieut. Colonel Robert L. Schulz
P. O. Box 786
Benjamin Franklin Station
Washington, D.C.

Dear Colonel Schulz:

If everyone of the President's friends sent as much reading material as Mr. Carter does I'm afraid he would have little time for anything else. Still, I have to comply with his requests, so here are clippings of the way the Star-Telegram handled his trip to Texas.

Mr. Carter thought he would also like to see the stories on Ben "Gold" Hogan victory.

Incidentally, I received a nice letter from Mr. Gruenther which I appreciated very much as I spent most of that Saturday night, Sunday and Sunday night calling various people that we felt might give us "a lift".

With best wishes, I am

Sincerely,

Secretary to Mr. Carter.
