

THE WHITE HOUSE  
WASHINGTON

15 July 1953

PERSONAL

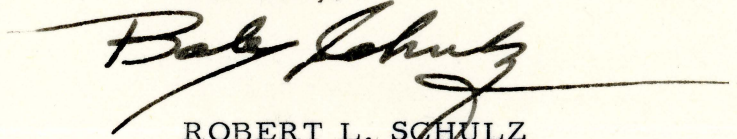

Dear Mrs. Deakins:

Thanks for your note of the 13th. I certainly understand the friendliness which prompts your forwarding the clippings.

I certainly hope that we will not have to trouble you in the future, especially on your own time, though I felt in this case it would be something that Mr. Carter would understand, and therefore I took the liberty of calling.

Again, our thanks, and with every good wish.

Cordially,

ROBERT L. SCHULZ  
Lt. Colonel, TC  
Military Aide to the President

Mrs. Katrine Deakins  
Secretary to Mr. Carter  
Fort Worth Star-Telegram
