

THE WHITE HOUSE

WASHINGTON

Denver, Colorado

August 25, 1953

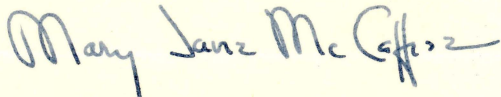

Dear Miss Deakins,

Thanks so much for sending the clipping on Bess Furman's story about Mrs. Eisenhower. I had lunch with her a few days before this went to press as she needed a few more little anecdotes and information for the story. It is a pretty good one -- and we'll place your clipping in the scrapbook.

Please express Mrs. Eisenhower's appreciation to Mr. Carter for his thought of her.

With all good wishes.

Sincerely,

A handwritten signature in blue ink that reads "Mary Jane McCaffree". The signature is written in a cursive style with a long, sweeping tail on the final letter.
