Dear Mr. Carter:

Recently you wrote the President concerning a belt. I have done a little checking and find that the President's belt size is 36. Unfortunately, the belts that are here are being used; therefore, I could not send you a sample. But I am sure the size will suffice for your needs. Do not hesitate to let me know if there is anything further I can do.

May I add a personal note to convey my delight with your progress and recovery.

With kind regard and best wishes.

Cordially,
