Lieut. Colonel Robert L. Schulz
P. O. Box 786
Benjamin Franklin Station
Washington, D. C.

Dear Colonel:

Permit me to congratulate you and Mrs. Schulz upon the arrival of a new member in your household. I am sure this brings much happiness and pleasure to you both, and I extend my very best wishes and a hearty welcome to the young man himself.

Recently I sent you a copy of my telegram to Mr. Garner, and in this letter I am sending you a photostat copy of his reply. I considered it complimentary to the President and thought he might like to read it, so I am sending another copy of the telegram and the reply.

Again my best wishes to you, Mrs. Schulz and Karl Frederick.

Sincerely,
