Colonel Robert L. Schulz
Military Aide to
The President of the United States
Washington, D. C.

Dear Sir:

At the request of Mr. Sid W. Richardson and Mr. Amon G. Carter the following items have been sent to you by Mr. Richardson's airplane: two lamb racks, three whole prime ribs divided into roasts, one box extra fancy Texas ruby-red grapefruit, approximately 25 quails, and two bags of sausage.

The perishable items are ready for the freezer without further preparation.

It is suggested that the sausage be used within the next month since it tends to lose its flavor after that time even though it is in a frozen condition.

We are putting a letter to President Eisenhower in your letter and also a true copy of the letter for your information.

Please know that it has been a pleasure to be of service in this instance, and we trust that you will not hesitate to call on us if we can serve you further.

Sincerely yours,

H O T E L T E X A S
