

THE WHITE HOUSE
WASHINGTON

June 21, 1954.

Dear Amon:

Miss Deakins has sent me a newspaper clipping about the recent activities of your daughter, Mrs. Johnson. I am particularly interested in the photograph of your four charming grandchildren. I imagine that you find -- as do I -- that the job of being a grandfather is a very satisfying occupation.

With warm regard,

As ever,

Mr. Amon Carter,
P. O. Box 1036,
Fort Worth,
Texas.
