My dear Mr. Foster:

This will acknowledge the receipt of your interesting brochure on "Industrial Fort Worth" - it is extremely well prepared.

Your grand citizen, Mr. Amon Carter, has already talked to me about locating an aircraft factory in Fort Worth, and our company has this very much in mind should it become necessary to expand our facilities in connection with the defense program.

I am taking the liberty of sending your brochure to Mr. Harry Woodhead, president of Aviation Manufacturing Corporation, with headquarters in Williamsport, Pennsylvania, as he operates that company. I am sure he will be much interested in it, and we will communicate with Mr. Carter immediately should anything arise.

Again thanking you for sending me the brochure, I am

Sincerely yours,

(Signed)  
Victor Emanuel
