

VICTOR EMANUEL
420 LEXINGTON AVENUE
NEW YORK

February 20, 1943

Dear Amon:

This is just an additional note to thank you for your kindness when I telephoned you from Phoenix.

Everything worked out well, I think, and I just wanted you to know again that I am most appreciative.

I do hope this letter finds you all right and send you every good wish at my command.

Sincerely,

Victor
