

VICTOR EMANUEL
420 LEXINGTON AVENUE
NEW YORK

August 6, 1943

Dear Amon :

I have read the article in the New York Journal American in Bill Corum's column of July 17 about the letter you received from your son in Germany.

I cannot tell you how very, very much this affected me; it shows what a really wonderful person he must be. In fact, I am so much impressed by it that I am having it mimeographed for distribution.

With kindest personal regards,

Sincerely,

Victor
