Dear Amon:

Your awfully nice letter of July 6 reached me this morning and I cannot tell you how much I appreciated and enjoyed it. It was awfully good of you to take the trouble to write me, and I do appreciate it.

I am sorry that we missed each other, but I do hope to see you on the occasion of your next visit, and in the meantime, send you every good wish at my command.

As ever,

Sincerely,

*Victor*
