Dear Amon :

I cannot tell you how much I appreciated the beautiful flowers you sent me to the hospital.

There were two dozen of the most beautiful roses I have ever seen. You really should not have done this although I did appreciate it enormously.

I am so sorry that I was not around to see you but will look forward to seeing you in Fort Worth.

I will take up the matter of the American Airlines stock at our Board meeting at the end of the month and will let you know.

Again my many, many thanks to you, and with all the best, as ever,

Sincerely,

*Vik.*
