Amon G. Carter, Esq.

Dear Amon:

Ray Pruitt has told me of his talks with you and I hope everything has worked out all right.

I only wish we could have done better, but due to the laws as they exist today it is almost impossible to do anything that either management or Board of Directors would like to do.

I do hope though, Amon, that it works out well for you, and I also hope that this finds you in good health, and that I will be seeing you soon.

Sincerely yours,

VE:c
