Dear Amon:

I received a very pleasant surprise today when Tom O'Hara handed me the very unique and attractive table lighter you had sent. It was very kind of you to do this, Amon, and many, many thanks. I shall find the lighter most useful.

I am sorry I have not seen you in such a long time, but Tom and I often talk of you and I hope that one of these days soon we can get together for a real visit.

In the meantime, thanks again for the gift, and with every kind regard and good wish to you, I am, as ever,

Sincerely,

*As ever,  
Victor*
