Dear Mr. Carter

I recieved your letter and cheque,
thanks very much.

I guess I didn't explain things very
well as I never kept books.

I talked to Miss Smith as I had lost track
and she said it totals to 13 months in-
cluding this March.

This also includes 3 trips of a state Vet.
for treatments against cold and distemper
and a clear bill of health, also shring.

I dont know if the O.P.A. has a
price ceiling on grooms but have been
paying \$25⁰⁰ for our 2 horses in previous
years.

From here on out I will keep track of
all feed bills and mail you a statement.

I will have every thing ready for the
parade and the horse will be at your
disposal throughout the show.

Thanks again

Bob Calver
