Mr. Amon G. Carter
FT. WORTH STAR TELEGRAM
Ft. Worth, Texas

Dear Mr. Carter:

In the near future we are planning to start publishing a series of stories on the directors of American Airlines, Inc. It is our intention to have each issue of THE FLAGSHIP NEWS carry one of these stories and pictures. This series will be run in alphabetical order according to last name.

I would appreciate it very much if you would send me a photograph of yourself, together with a biography giving business connections and hobbies and any other information you might care to add.

Any attention you are able to give this request will be greatly appreciated by me.

Sincerely yours,

Frank L. Brunton
